Dear Jere:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director

Dear Jere:

I hate to keep bothering you, but I have not received any information from you, since last August on this individual. We really need the outcome of the legal action related to his arrest on sodomy charges.

We would hope that the legal action had now been completed and that you could give us a newspaper clipping or court record which would indicate the outcome. This would certainly strengthen our file and help us to refuse his registration anywhere in the country.

Sincerely,

Paul Ernst, Director

Dear Jere:

This is a follow up related to the above named individual. You had sent us a newspaper clipping indicating he had been indicted for sexual abuse of two young girls.

We would like the outcome of the legal action, if it is now completed. This would then close our file and give us all the information necessary for protecting the youth anywhere in the country.

Sincerely,

Dear Jere:

We appreciate the Confidential Record Sheet, the copy of the letter, and the newspaper clipping which you recently sent us. These are most helpful to us in starting a file which will lead to refusal of future registration attempts.

We would like to have a copy of a paper with Mr. Harvey's signature, as this aids in the identification process.

We would also like to have the final outcome of the legal action once this is completed. That would then give us a file which will enable us to refuse registration anywhere in the country.

Thanks for your help in protecting the youth of America.

Sincerely,

Dear Jere:

We appreciated the information which you sent in August, concerning the above named individual. At that time, you indicated that there had been an arrest on charges of sodomy.

Since it has been several months we would like to know if this case has been completed and whether or not Mr. Harvey was found guilty and sentenced.

Thanks for any information you can secure.

Dear Mr. Harvey:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand the BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,

Jere B. Ratcliffe
Scout Executive
